

Procure Partners: UNLOCK COST SAVINGS

Join Our Group Purchasing Organization for Parcel Delivery & 3PL Services

IMMEDIATE COST SAVINGS

15-25% reduction

on parcel delivery costs

20% average savings

on 3PL and warehousing services

No upfront fees

100% free to join

No mandatory volumes

use as much or as little as needed

HIDDEN COST SAVINGS YOU'RE MISSING:

Operational Efficiency Gains:

- **Invoice Error Recovery:** 7% of logistics invoices contain overcharges
- **SLA Failure Compensation:** 3-5% of orders fail delivery SLAs without group enforcement
- **Packaging Optimization:** 10-15% of shipments use incorrect/oversized packaging
- **Time Savings:** Reduce 15-25 hours monthly on supplier management

KEY BENEFITS FOR YOUR BUSINESS

Enhanced Buying Power

- Leverage collective purchasing strength of multiple SMEs
- Access enterprise-level rates typically reserved for large corporations
- Negotiate better terms than individual companies can secure alone

Streamlined Operations

- **Save 10+ hours monthly** on supplier sourcing and negotiations
- Access pre-vetted, reliable delivery partners
- Reduce administrative burden of managing multiple supplier relationships

Improved Cash Flow

- Lower monthly logistics expenses
- Flexible payment terms through group agreements
- Reinvest savings into business growth and marketing

PERFECT FOR BUSINESSES THAT:

- Ship 50+ parcels monthly or spend £10k+ annually on logistics
- Struggle to negotiate competitive rates due to volume limitations
- Spend too much time managing logistics suppliers
